

## Lehrergehälter im internationalen Vergleich

„In comparing salaries among European countries it seems useful to take into account the annual teaching time and calculate the teachers' salary per teaching hour.“

Quelle: EU-Kommission (Hrsg.), „Study on Policy Measures to improve the Attractiveness of the Teaching Profession in Europe“ (2013), Teil 2, S. 56

Quelle: OECD (Hrsg.), Education at a Glance 2015: OECD Indicators (2015), Table D4.2.+Table X2.2.+ Table X2.4a.

„Adequate levels of teacher remuneration seem essential considering the need to attract high quality individuals to the profession and a pending retirement wave of teachers in the near future.“

Quelle: OECD (Hrsg.), OECD Reviews of School Resources – Austria (2016), S. 78
